

SUB-WOOFER 18SW2200-NDY 18"

The PRV Audio 18SW2200-NDY woofer offers outstanding durability and high power handling.

The surround incorporates a special compound to increase strength and together with the specially designed dual spider suspension assembled with a special resin improving the resistance against failure, offers a smooth accurate geometry during hard play.

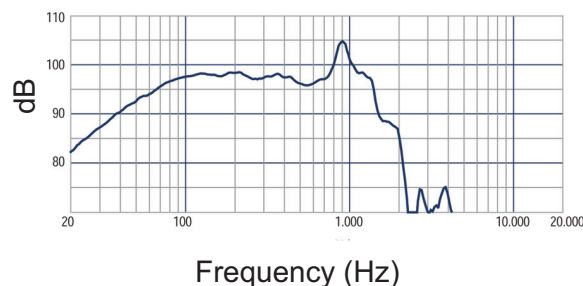

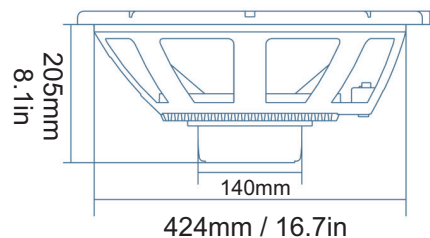

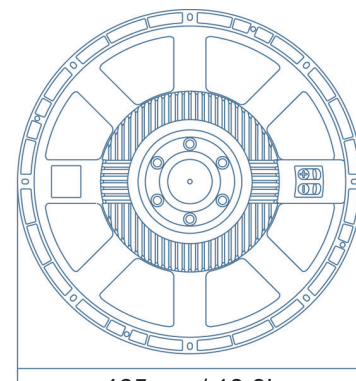

The 18SW2200-NDY 4" voice coil is larger than found in similar products on the market, coupled with the special cooling system offers great heat dissipation leading to increased life expectancy and accurate response.

The cone was developed and tested with the necessary stiffness to withstand intense use while still offering a smooth, accurate frequency response.

The Neodymium magnet assembly attached to a sturdy reinforced cast aluminum frame completes the 18SW2200-NDY offering a solid, but light weight support structure, for long lasting play in most any environment.

TECHNICAL SPECIFICATIONS:

Nominal Diameter.....	18	in
